I love you so much
Even though you are the very thing I cannot touch.
Even when we are far apart
Just know that I love you with all my heart.
I know I am very good at art.
I will try to draw all the love I have for you in my heart.

By Daisy G.

What's yours is mine, what's mine is yours.
Take my food I will take it from you.
If you insult Harry Potter
You will get slaughtered.
The pain I felt for you has grew.
Without a doubt you have grown a snout.
My feelings for you are made of dust.

By Jordan A.

I like basketball.
It's so cool.
When I shoot hoops
It is cool.
When I pass perfect
It's on fire.
The flames
Make me jump higher.

By Daisy P.

Soccer is cool
Piano is too
And the more you get to know them
You will learn to love them too.

By Jose V.

I like ballet.
When you dance
It feels like you can do anything.
You feel strong.
You feel happy.
You feel excited.
There's also modern ballet.
And that's fun too.

I ate cereal,
Honey Bunches of Oats.
Afterwards I put on my coat.
I heard your diss track it's a joke.
You can't even rhyme.
That's why you can't make a dime.
You're out of luck so go play with your puck.
Last night I played with Ted
And then I went to bed.

No No No! No No No!
Do I have to?
Yes, you have to.
Why?!! Done.
I have to go to the restroom.
Go then.
Ok. Done.

I like soccer because it's fun.
You get to practice before you play the game!
You run a lot... kick the ball...
We have all the equipment.
We sometimes win.
My brother is always on the other team.
After soccer is over we all kick the ball to two goalies.
And the one team who gets more points wins.
